

## **2022 Gran Prix of Grand Beach**

Special thanks to the Manitoba Cycling Association, Our Commissaires, all volunteers, Olympia Cycle, Ski Patrol, and Grand Beach Provincial Park

*We wish to thank also all of you for coming out and making this race a success!! We could not have done this without our amazing MTB community. Sincerely, John Paul & Olli*

Unfortunately, we had some mis-communication on our end and volunteers began to strike the course before several racers in the 4-lap event had begun their final lap. This should NEVER happen... especially as this race desired to encourage riders to participate in the longer-duration event, which was advertised as 2-3 hours. This oversight comes across as extremely disrespectful, and this most certainly was NOT our intent, although it was the result. We extend our sincerest apology to the riders effected by this error. We will take steps to ensure that this does not happen again at our events, and will write it into policy in the MCA's Mountain Bike Manual.

-John Paul Peters (Mountain Bike Director and Race co-host)
